Item 1.01. Entry into a Material Definitive Agreement.*Completion of Offering of Senior Unsecured Debt*

On August 17, 2018, CIT Group Inc. (“CIT”) completed a registered public offering of \$500 million aggregate principal amount of senior unsecured notes due 2024 (the “Notes”). The Notes were priced at par. The Notes will bear interest at a rate of 4.750% per annum. Interest on the Notes will be payable semi-annually in cash in arrears on February 16 and August 16 of each year, commencing on February 16, 2019.

The net proceeds of this offering were approximately \$496.5 million, after deducting commissions, fees and expenses associated with the offering. We intend to use the net proceeds from the offering for the redemption of the remaining approximately \$500 million aggregate principal amount of our outstanding 3.875% senior unsecured notes due February 2019.

The Notes were issued pursuant to CIT’s shelf registration statement on Form S-3 (Registration No. 333-221965), as supplemented by the final prospectus supplement filed with the SEC on August 16, 2018.

The Notes are unsecured obligations of CIT and are not guaranteed by any of CIT’s subsidiaries.

The Notes were issued under a base indenture, dated March 15, 2012, as supplemented by an eighth supplemental indenture, dated as of August 17, 2018 (together, the “Indenture”), each between CIT, Wilmington Trust, National Association, as trustee and Deutsche Bank Trust Company Americas, as paying agent, security registrar and authenticating agent. The Indenture contains certain covenants that, subject to exceptions, limit CIT’s ability to (i) create liens and (ii) merge or consolidate, or sell, transfer, lease or dispose of all or substantially all of its assets.

We may redeem the Notes at our option, at any time in whole or from time to time in part. If the Notes are redeemed prior to November 16, 2023 (the date which is three months prior to the maturity date of the Notes) (the “Par Call Date”), the redemption price for the Notes to be redeemed on any redemption date will be equal to the greater of: (1) the principal amount of the Notes being redeemed plus accrued and unpaid interest to the redemption date; or (2) the sum of the present values of the principal amount of the Notes to be redeemed, together with the scheduled payments of interest (exclusive of interest to the redemption date) from the redemption date to the maturity date (assuming such Notes matured on the Par Call Date), discounted to the redemption date on a semi-annual basis, at the Treasury Yield, plus 30 basis points, plus accrued and unpaid interest on the principal amount of the Notes being redeemed to the redemption date. If the Notes are redeemed on or after the Par Call Date, the redemption price for such Notes will equal 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to, but not including, the date of redemption.

In addition, CIT may at any time and from time to time purchase Notes in open market transactions, tender offers or otherwise. If CIT experiences a Change of Control Triggering Event (as defined in the Indenture), the holders of the Notes may require CIT to repurchase for cash all or a portion of their Notes at a price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest.

The Indenture (including the Forms of Note included therein) and the underwriting agreement relating to the Notes have been filed as exhibits to this Current Report on Form 8-K and the description of the Indenture contained herein is qualified in its entirety by reference to the Indenture.

Item 8.01. Other Events.

Forward-Looking Statements

This Form 8-K contains forward-looking statements within the meaning of applicable federal securities laws that are based upon our current expectations and assumptions concerning future events, which are subject to a number of risks and uncertainties that could cause actual results to differ materially from those anticipated. The words “expect,” “anticipate,” “estimate,” “forecast,” “initiative,” “objective,” “plan,” “goal,” “project,” “outlook,” “priorities,” “target,” “intend,” “evaluate,” “pursue,” “commence,” “seek,” “may,” “would,” “could,” “should,” “believe,” “potential,” “continue,” or the negative of any of those words or similar expressions is intended to identify forward-looking statements. All statements contained in this Form 8-K, other than statements of historical fact, including without limitation, statements about our plans, strategies, prospects and expectations regarding future events and our financial performance, are forward-looking statements that involve certain risks and uncertainties. While these statements represent our current judgment on what the future may hold, and we believe these judgments are reasonable, these statements are not guarantees of any events or financial results, and our actual results may differ materially. Important factors that could cause our actual results to be materially different from our expectations include, among others, the risk that (i) CIT is unsuccessful in implementing its strategy and business plan, (ii) CIT is unable to react to and address key business and regulatory issues, (iii) CIT is unable to achieve the projected revenue growth from its new business initiatives or the projected expense reductions from efficiency improvements, (iv) CIT becomes subject to liquidity constraints and higher funding costs, or (v) the parties to a transaction do not receive or satisfy regulatory or other approvals or conditions on a timely basis or approvals are subject to conditions that are not anticipated. We describe these and other risks that could affect our results in Item 1A, “Risk Factors,” of our latest Annual Report on Form 10-K for the year ended December 31, 2017, which was filed with the Securities and Exchange Commission. Accordingly, you should not place undue reliance on the forward-looking statements contained in this Form 8-K. These forward-looking statements speak only as of the date on which the statements were made. CIT undertakes no obligation to update publicly or otherwise revise any forward-looking statements, except where expressly required by law.

Ladies and Gentlemen:

Introductory. CIT Group Inc., a Delaware corporation (the “**Company**”), proposes to issue and sell to the several underwriters named on Schedule A hereto (the “**Underwriters**”) \$500,000,000 aggregate principal amount of its 4.750% Senior Unsecured Notes due 2024 (the “**Securities**”). The Securities will be issued pursuant to an indenture dated as of March 15, 2012 (the “**Base Indenture**”), between the Company, Wilmington Trust, National Association, as trustee (the “**Trustee**”) and Deutsche Bank Trust Company Americas, as paying agent, security registrar and authenticating agent. Certain terms of the Securities will be established pursuant to a supplemental indenture dated as of the Closing Date (the “**Supplemental Indenture**”) to the Base Indenture (together with the Base Indenture, the “**Indenture**”). The use of the neuter in this Underwriting Agreement (the “**Agreement**”) shall include the feminine and masculine wherever appropriate.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each of the Underwriters, as of the date hereof, that:

(a) The Company has prepared and filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement on Form S-3 (File No. 333-221965), which contains a base prospectus (the “**Base Prospectus**”), to be used in connection with the public offering and sale of the Securities. Such registration statement, as amended, including the financial statements, exhibits and schedules thereto, at each time of effectiveness under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Securities Act**”), including any required information deemed to be a part thereof at the time of effectiveness pursuant to Rule 430B or 430C under the Securities Act or the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (collectively, the “**Exchange Act**”), is called the “**Registration Statement**.” Any preliminary prospectus supplement relating to the Securities that is filed with the Commission pursuant to Rule 424(b), together with the Base Prospectus, is hereafter called a “**Preliminary Prospectus**.” The term “**Prospectus**” shall mean the final prospectus supplement relating to the Securities that is first filed pursuant to Rule 424(b) after the date and time that this Agreement is

executed and delivered by the parties hereto, including the Base Prospectus. Any reference herein to the Registration Statement, any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act; any reference to any amendment or supplement to any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after the date of such Preliminary Prospectus or Prospectus, as the case may be, under the Exchange Act, and incorporated by reference in such Preliminary Prospectus or Prospectus, as the case may be; and any reference to any amendment to the Registration Statement shall be deemed to refer to and include any annual report of the Company filed pursuant to Section 13(a) or 15(d) of the Exchange Act after the effective date of the Registration Statement that is incorporated by reference in the Registration Statement.

(b) *Compliance with Registration Requirements.* The Company meets the requirements for use of Form S-3 under the Securities Act. The Registration Statement has become effective upon filing with the Commission under the Securities Act. No stop order suspending the effectiveness of the Registration Statement is in effect, the Commission has not issued any order or notice preventing or suspending the use of the Registration Statement, any Preliminary Prospectus or the Prospectus and no proceedings for such purpose or pursuant to Section 8A of the Securities Act have been instituted or are pending or, to the best knowledge of the Company, are contemplated or threatened by the Commission.

Each of the Preliminary Prospectus and the Prospectus, when filed, complied in all material respects with the Securities Act. Each of the Registration Statement and any post-effective amendment thereto, at each time of effectiveness, at the date hereof and at the Closing Date, complied and will comply in all material respects with the Securities Act and did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading. The Prospectus, as amended or supplemented, as of its date, at the time of any filing pursuant to Rule 424(b) and, at the Closing Date, did not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The representations and warranties set forth in the two immediately preceding sentences do not apply to statements in or omissions from the Registration Statement or any post-effective amendment thereto, or the Prospectus, or any amendments or supplements thereto, made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter expressly for use therein, it being understood and agreed that the only such information furnished by the Underwriters consists of the information described as such in Section 8(b) hereof.

The documents incorporated by reference in the Registration Statement, the Pricing Disclosure Package (as defined herein) and the Prospectus, when they were filed with the Commission, conformed in all material respects to the requirements of the Exchange Act. Any further documents so filed and incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus or any further amendment or supplement thereto, when such documents are filed with the Commission, will conform in all material respects to the requirements of the Exchange Act. All documents incorporated or deemed to be incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus, as of

their respective dates, when taken together with the other information in the Pricing Disclosure Package, at the Applicable Time and, when taken together with the other information in the Prospectus, at the Closing Date, did not and will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(c) *Well-Known Seasoned Issuer.* (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Securities Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) of the Securities Act) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the Securities Act, and (iv) at the Applicable Time (with such date and time being used as the determination date for purposes of this clause (iv)), the Company was and is a “well-known seasoned issuer”, as defined in Rule 405 of the Securities Act. The Registration Statement has been filed with the Commission not earlier than three years prior to the Closing Date; the Company has not received from the Commission any notice pursuant to Rule 401(g) (2) of the Securities Act objecting to use of the automatic shelf registration statement form; and the Company has not otherwise ceased to be eligible to use the automatic shelf registration form.

(d) *Pricing Disclosure Package.* The term “**Pricing Disclosure Package**” shall mean (i) the Base Prospectus and the Preliminary Prospectus, if any, as amended or supplemented, (ii) the issuer free writing prospectuses as defined in Rule 433 of the Securities Act, if any, identified in Schedule B hereto (each, an “**Issuer Free Writing Prospectus**”), (iii) any other free writing prospectus that the parties hereto shall hereafter expressly agree in writing to treat as part of the Pricing Disclosure Package and (iv) the Final Term Sheet (as defined herein), which also shall be identified in Schedule B hereto. As of 4:20 p.m. (New York City time) on the date of this Agreement (the “**Applicable Time**”), the Pricing Disclosure Package did not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Pricing Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(e) *Company Not Ineligible Issuer.* (i) At the earliest time after the filing of the Registration Statement relating to the Securities that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the Securities Act) and (ii) as of the Applicable Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an “ineligible issuer” (as defined in Rule 405 of the Securities Act), without taking account of any determination by the Commission pursuant to Rule 405 of the Securities Act that it is not necessary that the Company be considered an “ineligible issuer.”

(f) *Issuer Free Writing Prospectuses.* Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the offering of Securities under this Agreement or until any earlier date that the Company notified or notifies the Underwriters as described in the next sentence, does not and will not include any information that conflicts or will conflict in any material respect with the information contained in the Registration Statement, the Pricing Disclosure Package or the Prospectus. If at any time following issuance of an Issuer Free Writing Prospectus, there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicts or would conflict in any material respect with the information contained in the Registration Statement, the Pricing Disclosure Package or the Prospectus, the Company will promptly notify the Underwriters and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. Any Issuer Free Writing Prospectus not identified on Schedule B, when taken together with the Pricing Disclosure Package, does not, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The foregoing three sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 8(b) hereof.

(g) *Distribution of Offering Material by the Company.* The Company has not distributed, and will not distribute, prior to the later of the Closing Date and the completion of the Underwriters' distribution of the Securities, any offering material in connection with the offering and sale of the Securities, other than the Preliminary Prospectus, the Prospectus and any Issuer Free Writing Prospectus reviewed and consented to by the Underwriters.

(h) *No Applicable Registration or Other Similar Rights.* There are no persons with registration or other similar rights to have any equity or debt securities registered for sale under the Registration Statement or included in the offering contemplated by this Agreement, except for (i) the OneWest Holders (as defined in the Registration Statement) and (ii) such rights as have been duly waived.

(i) *Authorization of this Agreement.* This Agreement has been duly authorized, executed and delivered by the Company.

(j) *The Securities.* On the Closing Date, the Securities will be in the form contemplated by the Indenture, will have been duly authorized by the Company for issuance and sale pursuant to this Agreement and the Indenture and, at the Closing Date, will have been duly executed by the Company and, when authenticated in the manner provided for in the Indenture and delivered against payment of the purchase price therefor, will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general equitable principles and will be entitled to the benefits of the Indenture.

(k) *Authorization of the Indenture.* The Indenture has been duly qualified under the Trust Indenture Act. The Indenture has been duly authorized by the Company and, at the Closing Date, will have been duly executed and delivered by the Company and will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the rights and remedies of creditors or by general equitable principles and except as rights to indemnification may be limited by applicable law.

(l) *Description of Documents.* The Securities and the Indenture will conform in all material respects to the respective statements relating thereto contained in the Pricing Disclosure Package and the Prospectus.

(m) *No Material Adverse Effect.* Except as disclosed in the Pricing Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto) subsequent to the respective dates as of which information is given in the Pricing Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto), there has been no material adverse change, or any development that would reasonably be expected to result in a material adverse change, in the financial condition, earnings, business or operations of the Company and its subsidiaries, considered as one entity taken as a whole (any such change is called a “**Material Adverse Effect**”).

(n) *Independent Accountants.* PricewaterhouseCoopers LLP, which expressed its opinion with respect to the consolidated financial statements of the Company and its consolidated subsidiaries (which term, as used in this Agreement, includes the related notes thereto) filed with the Commission and included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus, is an independent registered public accounting firm within the meaning of the Securities Act, the Exchange Act and the applicable published rules and regulations thereunder and the rules of the Public Company Accounting Oversight Board (United States), and any non-audit services provided by PricewaterhouseCoopers LLP to the Company or any of its subsidiaries have been approved by the audit committee of the board of directors of the Company. PricewaterhouseCoopers LLP served as the Company’s independent accountant through December 31, 2017. (o) *Preparation of the Financial Statements.* The consolidated financial statements of the Company and its consolidated subsidiaries, together with the related schedules and notes, filed with the Commission as a part of or incorporated by reference in the Registration Statement and included or incorporated by reference in the Pricing Disclosure Package and the Prospectus, present fairly the consolidated financial position of the entities to which they relate as of and at the dates indicated and the results of their operations and cash flows for the periods

specified. Such financial statements and supporting schedules comply in all material respects as to form with the applicable accounting requirements of Regulation S-X and have been prepared in conformity with generally accepted accounting principles as applied in the United States (“GAAP”), applied on a consistent basis throughout the periods involved, except as may be otherwise stated therein or in the related notes thereto. The financial data set forth in the Preliminary Prospectus and the Prospectus under the captions “Prospectus Supplement Summary—Summary Historical Financial Data” and “Capitalization” fairly present in all material respects the information set forth therein on a basis consistent with that of the audited financial statements contained in the Registration Statement.

(p) *Summary Financial Data.* The statistical and market-related data included in the Pricing Disclosure Package and the Prospectus are based on, or derived from, sources that the Company believes to be reliable in all material respects and any forward looking statements included in the Pricing Disclosure Package and the Prospectus represent the Company’s good faith estimates and assumptions. (h) *Indenture; Securities.* The Company shall have executed and delivered the Indenture, in form and substance reasonably satisfactory to the Underwriters, and the Underwriters shall have received executed copies thereof. The Company shall have executed and delivered the Securities, in form and substance reasonably satisfactory to the Underwriters and the Trustee, and the Trustee shall have received such executed counterparts.

(i) *Additional Documents.* On or before the Closing Date, the Underwriters and counsel for the Underwriters shall have received such information, documents and opinions, as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Securities, as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 6 is not satisfied, when and as required to be satisfied, this Agreement may be terminated by the Underwriters by notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Section 5, Section 7, Section 8, Section 9, Section 11, Section 15 and Section 16 shall at all times be effective and shall survive such termination.

7. Reimbursement of Underwriters' Expenses. If this Agreement is terminated by the Underwriters pursuant to Section 6, Section 10 or Section 17, including if the sale to the Underwriters of the Securities on the Closing Date is not consummated because of any refusal, inability or failure on the part of the Company to perform any agreement herein, or to comply with any provision hereof, the Company agrees to reimburse the Underwriters, in the case of termination pursuant to Section 6 or Section 10 hereof or the non-defaulting Underwriters, in the case of termination pursuant to Section 17 hereof, severally, upon demand for all out-of-pocket expenses that shall have been reasonably incurred by the Underwriters in connection with the proposed purchase and the offering and sale of the Securities, including, without limitation, fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

8. Indemnification.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors, officers and employees, and each

person, if any, who controls any Underwriter within the meaning of the Securities Act and the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which such Underwriter, affiliate, director, officer, employee or controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof, as contemplated below) arises out of or is based (i) upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment thereto, including any information deemed to be a part thereof pursuant to Rule 430B or 430C under the Securities Act, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) upon any untrue statement or alleged untrue statement of a material fact contained in any Issuer Free Writing Prospectus, any Preliminary Prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and to reimburse each Underwriter and each such affiliate, director, officer, employee or controlling person for any and all reasonable expenses (including the reasonable fees and disbursements of counsel chosen by Barclays), as such expenses are reasonably incurred by such Underwriter or such affiliate, director, officer, employee or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; *provided, however*, that the foregoing indemnity agreement shall not apply, with respect to an Underwriter, to any loss, claim, damage, liability or expense, to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by such Underwriter expressly for use in the Registration Statement, any Issuer Free Writing Prospectus, any Preliminary Prospectus or the Prospectus (or any amendment or supplement to any of the foregoing). The indemnity agreement set forth in this Section 8(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) *Indemnification of the Company.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement or other registration statement in connection with the Securities (each, a “**Relevant Officer**”), and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company or any such director, Relevant Officer or controlling person may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of such Underwriter), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof, as contemplated below) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Issuer Free Writing Prospectus, any Preliminary Prospectus or the Prospectus (or any amendment or supplement to any of the foregoing), or arises out of or is based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of the Registration Statement or any supplement or amendment thereto) or necessary in order to make the statements therein, in the light of the

circumstances under which they were made, not misleading (in the case of any Issuer Free Writing Prospectus, any Preliminary Prospectus or the Prospectus or any amendment or supplement to any of the foregoing), in each case, to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, any Issuer Free Writing Prospectus, any Preliminary Prospectus or the Prospectus (or any amendment or supplement to any of the foregoing), in reliance upon and in conformity with written information furnished to the Company by such Underwriter expressly for use therein; and to reimburse the Company and each such director, Relevant Officer or controlling person for any and all reasonable expenses (including the reasonable fees and disbursements of counsel), as such expenses are reasonably incurred by the Company or such director, Relevant Officer or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. The Company hereby acknowledges that the only information that the Underwriters have furnished to the Company expressly for use in the Registration Statement, any Issuer Free Writing Prospectus, any Preliminary Prospectus or the Prospectus (or any amendment or supplement thereto) are the statements set forth in the first sentence of the sixth paragraph and the third sentence of the eighth paragraph under the caption "Underwriting" in the Prospectus. The indemnity agreement set forth in this Section 8(b) shall be in addition to any liabilities that each Underwriter may otherwise have.

(c) *Notifications and Other Indemnification Procedures.* Promptly after receipt by an indemnified party under Section 8(a) or Section 8(b) of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; *provided* that the failure to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 8, except to the extent that it has been materially prejudiced by such failure (through the forfeiture of substantive rights and defenses) and shall not relieve the indemnifying party from any liability that the indemnifying party may have to an indemnified party other than under this Section 8. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; *provided, however*, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded based upon advice from counsel that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from, or in addition to, those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the

defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (together with local counsel in each jurisdiction)), which shall be selected by Barclays (in the case of counsel representing the Underwriters or their related persons in the capacity of indemnified parties), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) *Settlements.* The indemnifying party under this Section 8 shall not be liable for any settlement of any proceeding effected without its written consent, which will not be unreasonably withheld, but, if settled with such consent, or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, as contemplated by this Section 8, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is, or could have been, a party and indemnity was, or could have been, sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include any statements as to, or any findings of, fault, culpability or failure to act by or on behalf of any indemnified party.

9. Contribution. If the indemnification provided for in Section 8 hereof is for any reason held to be unavailable to, or otherwise insufficient to hold harmless, an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion, as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion, as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions, as the total net proceeds from the offering of the Securities pursuant to this Agreement (before

deducting expenses) received by the Company, and the total underwriting discount received by the Underwriters, in each case, as set forth on the front cover page of the Prospectus bear to the aggregate initial public offering price of the Securities, as set forth on such cover page of the Prospectus. The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses, referred to above, shall be deemed to include, subject to the limitations set forth in Section 8 hereof, any reasonable legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 8 hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 9; *provided, however*, that no additional notice shall be required with respect to any action for which notice has been given under Section 8 hereof for purposes of indemnification.

The Company and the Underwriters agree that it would not be just and equitable, if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 9.

Notwithstanding the provisions of this Section 9, no Underwriter shall be required to contribute any amount in excess of the underwriting commissions received by such Underwriter in connection with the Securities underwritten by it and distributed to the public. No person guilty of fraudulent misrepresentation (within the meaning of Section 10 of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 9 are several, and not joint, in proportion to their respective commitments, as set forth opposite their names in Schedule A. For purposes of this Section 9, each director, officer and employee of an Underwriter and each person, if any, who controls an Underwriter within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each Relevant Officer of the Company and each person, if any, who controls the Company within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company.

10. Termination of This Agreement. Prior to the Closing Date, this Agreement may be terminated by the Underwriters by notice given to the Company, if at any time: (i) trading or quotation in any of the Company's common stock shall have been suspended or limited by the Commission or by the NYSE, or trading in securities generally on either the Nasdaq Stock Market or the NYSE shall have been suspended or limited, or minimum or maximum prices shall have been generally established on any of such quotation system or stock exchange by the Commission or FINRA, (ii) a general banking moratorium shall have been declared by any U.S. federal or New York state authorities or (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any

change in the United States or international financial markets, as, in the reasonable judgment of the Underwriters, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities in the manner, and on the terms, described in the Pricing Disclosure Package or the Prospectus or to enforce contracts for the sale of securities. Any termination pursuant to this Section 10 shall be without liability on the part of (i) the Company to any Underwriter, except that the Company shall be obligated to reimburse the reasonable expenses of the Underwriters pursuant to Sections 5 and 7 hereof, (ii) any Underwriter to the Company, or (iii) any party hereto to any other party, except that the provisions of Sections 8 and 9 hereof shall at all times be effective and shall survive such termination.

11. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company, its officers and the several Underwriters, set forth in, or made pursuant to, this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter, the Company or any of their partners, officers or directors or any controlling person, as the case may be, and will survive (i) delivery of and payment for the Securities sold hereunder and (ii) any termination of this Agreement (other than, with respect to the representations and warranties of the Company, if the termination does not result, in whole or in part, from the fault of the Company). The provisions of Section 5, Section 7, Section 8, Section 9, this Section 11, Section 15 and Section 16 hereof shall survive the termination or cancellation of this Agreement.

13. Successors and Assigns. This Agreement will inure to the benefit of, and be binding upon, the parties hereto, including any substitute Underwriters pursuant to Section 17 hereof, and to the benefit of (i) the Company, its directors, any person who controls the Company within the meaning of the Securities Act and the Exchange Act and any Relevant Officer of the Company, (ii) the Underwriters, the officers, directors, employees and agents of the Underwriters, and each person, if any, who controls any Underwriter within the meaning of the Securities Act and the Exchange Act and (iii) the respective successors and assigns of any of the above, all as and to the extent provided in this Agreement, and no other person shall acquire or have any right under, or by virtue of, this Agreement. The term "successors and assigns" shall not include a purchaser of any of the Securities from any of the several Underwriters merely because of such purchase.

14. Authority of the Underwriters. Any actions by the Underwriters hereunder may be taken by Barclays on behalf of the Underwriters, and any such action taken by Barclays shall be binding upon the Underwriters.

15. Partial Unenforceability. The invalidity or unenforceability of any Section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other Section, paragraph or provision hereof. If any Section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes), as are necessary to make it valid and enforceable.

16. Governing Law Provisions.

(a) THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN SUCH STATE WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

(b) *Consent to Jurisdiction*. Any legal suit, action or proceeding arising out of, or based upon, this Agreement, or the transactions contemplated hereby (“**Related Proceedings**”), may be instituted in the federal courts of the United States of America located in the City and County of New York or the courts of the State of New York, in each case, located in the City and County of New York (collectively, the “**Specified Courts**”), and each party irrevocably submits to the exclusive jurisdiction (except for suits, actions, or proceedings instituted in regard to the enforcement of a judgment of any Specified Court in a Related Proceeding, as to which such jurisdiction is non-exclusive) of the Specified Courts in any Related Proceeding. Service of any process, summons, notice or document by mail to such party’s address, set forth above, shall be effective service of process for any Related Proceeding brought in any Specified Court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any Related Proceeding in the Specified Courts and irrevocably and unconditionally waive, and agree not to plead or claim, in any Specified Court that any Related Proceeding brought in any Specified Court has been brought in an inconvenient forum.

17. Default of One or More of the Several Underwriters. If any one or more of the several Underwriters shall fail or refuse to purchase Securities that it or they have agreed to purchase hereunder on the Closing Date, and the aggregate principal amount of Securities which such defaulting Underwriter or Underwriters agreed, but failed or refused, to purchase does not exceed 10% of the aggregate principal amount of the Securities to be purchased on such date, the other Underwriters shall be obligated, severally, in the proportions that the principal amount of Securities of any series to be purchased, set forth opposite their respective names on Schedule A under the column for such series, bears to the aggregate principal amount of Securities of such series, set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions, as may be specified by the Underwriters with the consent of the non-defaulting Underwriters, to purchase the Securities which such defaulting Underwriter or Underwriters agreed, but failed or refused, to purchase on the Closing Date. If any one or more of the Underwriters shall fail or refuse to purchase Securities and the principal amount of Securities with respect to which such default occurs exceeds 10% of the principal amount of Securities to be purchased on the Closing Date, and arrangements satisfactory to the Underwriters and the Company for the purchase of such Securities are not made within 48 hours

after such default, this Agreement shall terminate without liability of any party to any other party except that (y) with respect to non-defaulting Underwriters, the provisions of Section 5, Section 7, Section 8, Section 9, Section 11, Section 15 and Section 16 and (z) the last sentence of this paragraph shall at all times be effective and shall survive such termination. In any such case, either the Underwriters or the Company shall have the right to postpone the Closing Date, as the case may be, but in no event for longer than seven days, in order that the required changes, if any, to the Registration Statement, any Issuer Free Writing Prospectus, the Preliminary Prospectus or the Prospectus or any other documents or arrangements may be effected. As used in this Agreement, the term "Underwriter" shall be deemed to include any person substituted for a defaulting Underwriter under this Section 17. Any action taken under this Section 17 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

18. No Advisory or Fiduciary Responsibility. The Company acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, and the Company is capable of evaluating and understanding, and understands and accepts, the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction, each Underwriter is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary of the Company or any of its affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company, except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, and the several Underwriters have no obligation to disclose any of such interests by virtue of any fiduciary or advisory relationship; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby, and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the several Underwriters with respect to any breach or alleged breach of fiduciary duty.

19. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the several Underwriters, or any of them, with respect to the subject matter hereof.

20. General Provisions. This Agreement constitutes the entire agreement of the parties to this Agreement with respect to the subject matter hereof and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. This Agreement may be executed in two or more counterparts, each one of which shall be an original, with the same effect, as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a

signature page to this Agreement by telecopier, facsimile, email or other electronic transmission (i.e., “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart thereof. This Agreement may not be amended or modified, unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party whom the condition is meant to benefit. The Section headings herein are for the convenience of the parties only and shall not affect the construction or interpretation of this Agreement.

21. Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

If the foregoing is in accordance with your understanding of our agreement, kindly sign and return to the Company the enclosed copies hereof, whereupon this instrument, along with all counterparts hereof, shall become a binding agreement in accordance with its terms.

Very truly yours,

Principal, premium, if any, and interest shall be payable in Dollars.

(b) No service charge shall be made for any registration of transfer or exchange of the Notes, but the Company may require payment from the Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

(c) The Paying Agent, Authenticating Agent and Security Registrar for the Notes shall initially be Deutsche Bank Trust Company Americas.

(d) The Company initially appoints The Depository Trust Company (“**DTC**”) to act as Depository with respect to the Global Notes. Deutsche Bank Trust Company Americas shall act as Custodian with respect to the Global Notes.

(c) Interest shall be calculated by the Paying Agent. The Paying Agent will provide to the Company the calculation of interest payable on an Interest Payment Date at least 5 Business Days prior to such Interest Payment Date.

(d) The Company shall deposit the funds for any payment of interest with the Trustee or Paying Agent one Business Day prior to any Interest Payment Date.

ARTICLE 3

REDEMPTION AND REPURCHASE OF THE NOTES

Section 3.1 No Sinking Fund or Repayment at Option of the Holder.

The Notes are not entitled to the benefit of any sinking fund and are not subject to redemption at the option of the Holders. Articles 12 and 13 of the Base Indenture shall not apply to the Notes.

(a) At any time and from time to time prior to the Par Call Date, the Company may redeem all or a part of the Notes, upon not less than 10 nor more than 60 days’ notice to each holder of Notes to be redeemed, at a redemption price equal to the greater of:

- (1) 100% of the principal amount of the Notes redeemed, and

(2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would be due after the related redemption date but for such redemption (exclusive of interest accrued to the redemption date) (assuming for this purpose that the Notes matured on the Par Call Date) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Yield plus 30 basis points;

plus, in either case, accrued and unpaid interest, to the date of redemption, subject to the rights of Holders of such Notes on a relevant record date to receive interest due on a relevant Interest Payment Date.

(b) At any time and from time to time on or after the Par Call Date, the Company may redeem all or a part of the Notes, upon not less than 10 nor more than 60 days' notice to each holder of Notes to be redeemed, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, to (but not including) the date of redemption.

(c) If less than all of the Notes are to be redeemed at any time, the Notes shall be redeemed on a *pro rata* basis in accordance with Section 11.3 of the Base Indenture.

(d) Any redemption of Notes pursuant to this Section 3.2 that is in part processed through DTC shall be treated in accordance with the rules and procedures of DTC as a "Pro Rata Pass-Through Distribution of Principal" (as defined under such rules and procedures). Except to the extent modified by this Supplemental Indenture, the provisions of Article 11 of the Base Indenture shall apply to redemptions of Notes pursuant to this Section 3.2.

(e) In addition to the Company's right to redeem Notes as set forth above in this Section 3.2, the Company may at any time and from time to time purchase Notes in open market transactions, tender offers or otherwise.

Section 3.3 Offer to Repurchase Upon Change of Control Triggering Event.

(a) Upon the occurrence of a Change of Control Triggering Event, the Company will be obligated to make an offer to purchase (a "**Change of Control Offer**") and each Holder of Notes will have the right to require the Company to purchase all or any part (equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes on the terms set forth in this Indenture. In the Change of Control Offer, the Company will offer a Change of Control payment in cash equal to 101% of the aggregate principal amount of Notes purchased plus accrued and unpaid interest on the Notes purchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date (the "**Change of Control Payment**").

Within 30 days following the date upon which the Change of Control Triggering Event occurred, or at the Company's option, prior to any Change of Control but after the public announcement of the pending Change of Control and conditional upon a Change of Control Triggering Event occurring, the Company will mail, by first class mail, a notice to each Holder

of Notes, with a copy to the Trustee, describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control payment date specified in the notice (the “**Change of Control Payment Date**”), which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, other than as required by law, pursuant to the procedures required by this Indenture and described in such notice. The notice, if mailed prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the consummation of the Change of Control on or prior to the Change of Control Payment Date.

(b) On the Change of Control Payment Date, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(c) The Paying Agent shall promptly mail to each Holder of Notes properly tendered pursuant to the Change of Control Offer the Change of Control Payment for such Notes, and the Authenticating Agent shall promptly authenticate and mail, or cause to be transferred by book entry, to each such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that the new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Company shall publicly announce the results of the Change of Control Offer on or as soon as reasonably practicable after the Change of Control Payment Date.

(d) The Change of Control provisions described in this Section 3.3 shall be applicable whether or not any other provisions of this Indenture are applicable, except in any case in which the provisions of Section 4.2 of the Base Indenture are applicable. The Company shall comply with the requirements of Section 14e-1 of the Exchange Act and any other securities laws or regulations to the extent those laws and regulations are applicable to the purchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Section 3.3, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 3.3 by virtue of such compliance.

(e) The Company shall not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly and properly tendered and not withdrawn pursuant to the Change of Control Offer, (2) the Company has given notice to redeem all Notes in accordance with the redemption

provisions of Section 3.2 hereof unless and until there is a default in payment of the applicable Redemption Price or (3) in connection with or in contemplation of any Change of Control for which a definitive agreement is in place, the Company or a third party has made an offer to purchase (an “**Alternate Offer**”) any and all Notes validly and properly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes validly and properly tendered and not withdrawn in accordance with the terms of such Alternate Offer.

Section 3.4 Effect of Redemption.

Unless the Company defaults in the payment of the Redemption Price, on and after the Redemption Date, (a) interest shall cease to accrue on the Notes immediately prior to the close of business on the Redemption Date, (b) the Notes shall become due and payable at the Redemption Price and (c) the Notes shall be void and all rights of the Holders in respect of the Notes shall terminate and lapse (other than the right to receive the Redemption Price upon surrender of such Notes but without interest on such Redemption Price). Following the notice of a redemption, neither the Company nor the Security Registrar shall be required to register the transfer of or exchange the Notes to be redeemed. The redemption provisions of Sections 11.5 and 11.6 of the Base Indenture shall not apply to the Notes.

Section 3.5 Redemption Procedures.

One Business Day prior to the Redemption Date, the Company shall deposit with the Paying Agent immediately available funds in an amount sufficient to pay, on the Redemption Date, the aggregate Redemption Price for Notes being redeemed. If the Company gives an irrevocable notice of redemption with respect to the Notes pursuant to Section 3.2 hereof in connection with an optional redemption, and the Company has paid to the Paying Agent the Redemption Price of the Notes to be redeemed, then, on the Redemption Date, the Paying Agent shall irrevocably deposit such funds with the Depository. The Company shall also give the Depository irrevocable instructions and authority to pay the Redemption Price in immediately available funds to the Holders of beneficial interests in the Global Notes. If any Redemption Date is not a Business Day, then the Redemption Price shall be payable on the next Business Day (and without any interest or other payment in respect of any such delay). Interest to be paid on or before the Redemption Date for any Notes called for redemption shall be payable to the Holders on the Regular Record Date for the related Interest Payment Dates. If any Notes called for redemption are not so paid upon surrender thereof for redemption, the Redemption Price shall, until paid, bear interest from the Redemption Date at the Coupon Rate. In exchange for the unredeemed portion of such surrendered Notes, new Notes in an aggregate principal amount equal to the unredeemed portion of such surrendered Notes shall be issued.

Section 3.6 No Other Redemption.

Except as set forth in this Article 3, the Notes shall not be redeemable by the Company prior to the Maturity Date.

ARTICLE 4

FORM OF NOTE

Section 4.1 Form of Note.

The Notes and the Authenticating Agent's Certificate of Authentication to be endorsed thereon are to be substantially in the forms attached as Exhibit A hereto, with such changes therein as the officers of the Company executing the Notes (by manual or facsimile signature) may approve, such approval to be conclusively evidenced by their execution thereof.

ARTICLE 5

COVENANTS

In addition to the covenants set forth in Article 10 of the Base Indenture, the following covenants shall apply to any Outstanding Notes:

Section 5.1 Reports.

(a) Whether or not required by the rules and regulations of the Commission and in lieu of Section 7.4 of the Base Indenture, so long as any Notes are Outstanding, the Company shall furnish to the Holders or cause the Trustee (upon its receipt from the Company) to furnish to the Holders, within 30 days after the Company is required to file the same with the Commission:

Exhibit A-4

1. Interest

CIT GROUP INC., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “**Company**”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Company shall pay interest semiannually on February 16 and August 16 of each year, commencing February 16, 2019. Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from August 17, 2018. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment

The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the February 1 and August 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company shall pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company. The Company shall make all payments in respect of a certificated Note (including principal, premium, if any, and interest) by mailing a check to the registered address of each Holder thereof; provided, however, that payments on a certificated Note shall be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as Deutsche Bank Trust Company Americas (the “**Agent**”) may accept in its discretion).

3. Paying Agent and Security Registrar

Initially, the Agent shall act as Paying Agent and Security Registrar. The Company may appoint and change any Paying Agent, Security Registrar or co-registrar without notice. The Company or any wholly owned Subsidiary may act as Paying Agent, Security Registrar or co-registrar.

4. Indenture

The Company issued the Notes under an Indenture (the “**Base Indenture**”) dated as of March 15, 2012 and an Eighth Supplemental Indenture (the “**Supplemental Indenture**”) and together with the Base Indenture, the “**Indenture**”) dated as of August 17, 2018, among the Company, the Trustee and the Agent. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the “**Act**”). Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the Act for a statement of those terms.

The Notes are unsecured obligations of the Company. The Company shall be entitled to issue Additional Securities pursuant to Section 3.12 of the Base Indenture. The Notes issued on the Issue Date and any Additional Securities shall be treated as a single class for all purposes under the Indenture.

5. Optional Redemption

(a) At any time and from time to time prior to November 16, 2023 (the “**Par Call Date**”), the Company may redeem all or a part of the Notes, upon not less than 10 nor more than 60 days’ notice to each holder of Notes to be redeemed, at a redemption price equal to the greater of:

(1) 100% of the principal amount of the Notes redeemed, and

(2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would be due after the related redemption date but for such redemption (exclusive of interest accrued to the redemption date) (assuming for this purpose that the Notes matured on the Par Call Date), discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Yield plus 30 basis points;

plus, in either case, accrued and unpaid interest, to the date of redemption, subject to the rights of Holders of such Notes on a relevant record date to receive interest due on a relevant Interest Payment Date.

(b) At any time and from time to time on or after the Par Call Date, the Company may redeem all or a part of the Notes, upon not less than 10 nor more than 60 days’ notice to each holder of Notes to be redeemed, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, to (but not including) the date of redemption.

In addition to the Company’s right to redeem Notes as set forth in Section 3.2 of the Supplemental Indenture, the Company may at any time and from time to time purchase Notes in open market transactions, tender offers or otherwise.

6. Notice of Redemption

If less than all of the Notes are to be redeemed at any time, the Notes shall be redeemed on a *pro rata* basis in accordance with Section 11.3 of the Base Indenture.

Any redemption of Notes pursuant to Section 3.2 of the Supplemental Indenture that is in part processed through DTC shall be treated in accordance with the rules and procedures of DTC as a “Pro Rata Pass-Through Distribution of Principal” (as defined under such rules and procedures). Except to the extent modified by the Supplemental Indenture, the provisions of Article 11 of the Base Indenture shall apply to redemptions of Notes pursuant to Section 3.2 of the Supplemental Indenture.

7. Change of Control

Upon the occurrence of a Change of Control Triggering Event, the Company will be obligated to make an offer to purchase and each Holder of Notes will have the right to require the Company to purchase all or any part (equal to \$2,000 in principal amount or an integral multiple of \$1,000 in principal amount in excess thereof) of that Holder's Notes on the terms set forth herein. In the Change of Control Offer, the Company will offer a Change of Control Payment in cash equal to 101% of the aggregate principal amount of Notes purchased plus accrued and unpaid interest on the Notes purchased to the date of purchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date.

8. Denominations; Transfer; Exchange

The Notes are in registered form without coupons in denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Security Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Security Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or any Notes for a period of 15 days before a selection of Notes to be redeemed or 15 days before an interest payment date.

9. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

10. Discharge and Defeasance

Subject to certain conditions, the Company at any time shall be entitled to terminate some or all of its obligations under the Notes and the Indenture if the Company deposits with the Paying Agent Cash in U.S. dollars, non-callable Government Obligations, or a combination of Cash in U.S. dollars and non-callable Government Obligations, in amounts as shall be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Paying Agent for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption.

11. Defaults and Remedies

The Events of Default relating to the Notes are defined in Section 5.1 of the Base Indenture and Section 6.1 of the Supplemental Indenture. Upon the occurrence of an Event of Default, the rights and obligations of the Company and the Holders shall be as set forth in the Indenture.

12. No Recourse Against Others

No director, officer, employee, incorporator or stockholder of the Company, as such, will have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.
